## **ETS International Names Lisa Coull as Comptroller**

**Quincy, MA** (October 26, 2009)-- ETS International, the Boston-area global provider of chauffeur-driven transportation services, has named Lisa A. Coull as the company's comptroller.

In making the announcement, John M. Greene, President of ETS, said "Lisa has been a valuable asset to our company since she first started with us in 2007 as a bookkeeper. And we are confident she will continue to thrive in her new position."

Coull previously worked as a bookkeeper for Edward Blondell Co., Inc. and a billing manager for South Shore Orthopedic Labs, Inc., both in Milton, MA. A resident Milton, Coull earned her Bachelors of Science degree from Southeast Massachusetts University in No. Dartmouth, MA.

ETS International operates a fleet of luxury sedans, SUVs, limousines and executive vans in the Boston and Providence area, as well as a global network that provides a wide menu of service in cities around the world. ETS is owned by brothers John M. Greene (President/CEO) and Peter Greene (Executive Vice President of Operations), who have more than 40 years of combined experience owning and managing executive transportation firms. ETS International has been awarded *Limo Digest's* Most Charitable Company and TLPA's Limousine Operator of the Year (Large Category). ETS International is also the preferred limousine company of the Boston Bruins Foundation , The Premium seating Club and the TD Garden.
